This packet includes the application for admission, instructions for filling it out, financial aid information, and other important details. Your checklist and priority dates are also included.
Thank you for your interest in Indiana University. We are excited that you are thinking about becoming part of our freshman class of bright, interesting students from all over the United States and the world.

For Questions or Additional Information
- Visit admissions.indiana.edu
- Call (812) 855-0661
- Email iuadmit@indiana.edu

Choose the Appropriate Application
This is the Freshman Application for Admission. It is for students who are still in high school, who have not attended college since graduating from high school, or who have fewer than 12 hours of college credit.

Transfer students (those who wish to transfer to IU Bloomington from another college or university) must complete the Transfer Application for Admission at admissions.indiana.edu.

International students (students who are not U.S. citizens or permanent residents) must complete either the International Freshman Application for Admission or the International Transfer Application for Admission at ois.iu.edu. International students are encouraged to apply online.

Application Instructions
Please read these important instructions before completing the application.

Application Fee
We require an application fee of $60 for U.S. citizens and permanent residents. The application fee is nonrefundable and cannot be applied toward any other bill or fee. Your check or money order should be payable to Indiana University and should clearly indicate your name and date of birth (or IU identification number, if applicable). We cannot accept cash. Payment by check authorizes Indiana University to make a one-time electronic withdrawal from your account in the amount indicated on your check. This transaction will occur within 24 hours of receipt, and no cancelled checks will be returned. Your financial institution will receive a copy of your check for payment if your account cannot be processed electronically. A third party submitting a check on your behalf is considered your agent; you are responsible for providing your agent with these disclosures. For more information on this and other payment options, or if you do not wish to have your check processed electronically, call (812) 855-0661 to speak with an admission representative.

In some situations, the application fee may be waived for students. To obtain a fee waiver, you must meet the requirements for a national fee waiver program, and your high school guidance counselor must submit a completed fee waiver form from one of the three organizations listed below.

1. ACT
2. SAT
3. NACAC

We will not process your application or make an admission decision until we receive a completed fee waiver form or the $60 application fee. If your fee waiver is not submitted within 30 days of the date we receive your application, your application will be cancelled.

Official Transcript
If you are attending a U.S. or Canadian high school, have your high school send an official transcript. An electronic transcript provided by your school is preferred but not required. If you are attending a non-U.S.-style school, submit official copies of your secondary school record. If you are currently enrolled in college-level course work, submit official college transcripts.

Social Security Number (application item 3)
In accordance with state and federal law, the disclosure of your Social Security number is voluntary. Please note that if you receive any form of federal aid (which includes student loans), you will be required to provide your Social Security number so that your aid may be processed. Your number will not be disclosed to anyone outside of Indiana University except in accordance with IU policy on student records. You will be assigned a ten-digit number that will be your University I.D. Your University I.D. number will be included in your admission letter.

Ethnicity (application item 8)
Ethnic information is gathered in compliance with the definitions and procedures included in the 1997 revision of the OMB Statistical Policy Directive No. 15 and the U.S. Department of Education Final Guidance on Maintaining, Collecting, and Reporting Racial and Ethnic Data to the Department of Education (Federal Register, Vol. 72, No. 202, 10/19/2008). This information will not be used in determining your admissibility to Indiana University.

Email (application item 9)
Because we will use email to communicate with you, please give us an email address where we can reach you throughout the year. To update your contact information, log in to one.iu.edu, and click on “Student Information System (SIS).”

Extracurricular Activities (application item 23)
We offer students the option to provide a summary of their important extracurricular activities during high school. This is not required. If you choose to do so, please attach a separate sheet. You may also submit one or more recommendations.

Residency (application item 25)
Initial residency classification (for tuition purposes) is determined by the information you provide on the application. In general, U.S. citizens or permanent residents who are 22 years of age are eligible for resident student status after they have been physically present in Indiana for at least 12 months without the predominant purpose of higher education. Students who are under 22 years of age are eligible for resident student status if their parents or legal guardians reside in Indiana. Documentation of legal guardianship is required. Visit studentcentral.indiana.edu for complete residency information.

Scholarships and Financial Aid
Merit-Based Aid. The scholarship deadline is November 1; you must submit a complete application for admission, including official transcript and test scores, by this date to receive maximum scholarship consideration. For information on additional scholarship opportunities, visit the Office of Scholarships website at scholarships.indiana.edu.

Need-Based Aid. In order to be considered for need-based financial aid, please submit the Free Application for Federal Student Aid (FAFSA) as soon after January 1 as possible and by the March 10 deadline. Because some aid programs are awarded on a first-come, first-served basis, an early application receives priority consideration for limited funding sources. FAFSA forms are available at www.fafsa.ed.gov or from your high school. Be sure to list IU’s institutional code, 001809, to ensure our Office of Student Financial Assistance receives your information.

Advanced Placement and Military Service Credit
Superior scores on advanced placement/credit tests may be used for placement, course exemption, or the awarding of credit. IU recognizes strong performance on College Board Advanced Placement (AP) examinations, SAT II Subject Tests, SAT or ACT writing components, British-Style advanced-level examinations, International Baccalaureate (IB) higher-level examinations, and placement tests administered by IU. It is also possible to obtain credit for college-level coursework already completed. More details are available at admissions.indiana.edu/apply/freshmen/standards/advanced.shtml.

Veterans may earn college credit for educational experiences in the armed services. Submit your certified DD Form 295, DD Form 214, and/or transcript from either the Army/American Council on Education Registry Transcript System (AARTS) or the Sailor/ Marine American Council on Education Registry Transcript System (SMARTS) with your application. Any additional, relevant military transcripts should also accompany your application.

Majors and Major Codes

Item 16 on the application asks you to indicate your intended major and major code, drawing from the list below. Please note that you can only list one major at the time of application and only have one active application at a time. If you wish to add an additional major(s), you must do so after matriculation.

Exploratory: Two Options
Many students come to IU wanting to explore their options for a major. If you are undecided about a specific major, choose “Exploratory (general)” and the code “EXPLRPR.” If you know you would like to study in the College of Arts and Sciences but are undecided about a specific major, choose “Exploratory (College)” and the code “EXPLCOBAPR.”

Prospective Music Majors: Additional Instructions
If you are a music applicant and need to complete this paper application, you will also need to submit music-specific information. Please contact the Jacobs School of Music Admissions Office at (812) 855-7998 for instructions. It is highly recommended that you apply to the Jacobs School of Music using the online application for freshman admission. Visit music.indiana.edu for more information.

Your Future Goals: Professional School
If your future goals include professional school (medicine, law, dentistry, optometry, physical therapy, occupational therapy, etc.), indicate your intended major and professional school interest in item 16.

**REQUIRED: Short Answer Essay**

22. In 200–400 words, describe your academic and career plans and any special interest (for example, undergraduate research, academic interests, leadership opportunities, etc.) that you are eager to pursue as an undergraduate at Indiana University. Also, if you encountered any unusual circumstances, challenges, or obstacles in pursuit of your education, share those experiences and how you overcame them. This essay may be used in scholarship consideration. Attach your essay to your application.

**Additional Information**

23. Optional – On a separate sheet, list your extracurricular activities. You may also submit one or more recommendations.  

**24. REQUIRED: Criminal Activity Disclosure**

We are committed to maintaining a safe learning environment. As part of that commitment, we require applicants who have been charged with or convicted of a misdemeanor or felony, or who have engaged in behavior that resulted in mental or physical injury to person(s) or personal property (including, for example, but not limited to, behavior that led to a restraining order against you), to disclose that information. A previous conviction or previous conduct of the sort identified here would not automatically preclude admission to IU but does require review.

A previous conviction or previous conduct of the sort identified here would not automatically preclude admission to IU but does require review. Also, if additional legal charges or injurious behaviors occur prior to matriculation at IU, you must provide updated information to the Office of Admissions, 300 N Jordan Avenue, Bloomington, IN 47405, before attending classes. The committee must review the new information prior to your matriculation at IU.

**Please select “Yes” below if your answer to any of the following questions is “Yes.”**

- Have you ever been arrested or convicted of a crime that has not been expunged by a court?
- Do you have any currently pending criminal charges against you?
- Have you engaged in any behavior that resulted in serious injury to any person(s) or personal property?

**REQUIRED: Residency Information**

25. **U.S. state of legal residence**

- Number of years of continuous residence in that state
- If you have lived in Indiana, dates of Indiana residence (month/year–month/year) and address
- City in Indiana
- Zip

If you are under 22 and your parent or legal guardian resides in Indiana, complete the following:

- Name of parent/guardian
- Relationship
- City in Indiana
- Zip

**REQUIRED: Applicant Signature**

I certify that I am the applicant and all statements on this application are correct and complete, including a list of all schools attended. I understand that withholding pertinent information requested on this application or giving false information constitutes grounds for immediate withdrawal of my application from further consideration and cancellation of my admission and/or application. I understand that providing false information could also impact the classification of tuition residency status for fee-paying purposes and scholarship eligibility.

Note: Application fee payments are not refundable. By submitting this application, the applicant understands and agrees.

**Application Checklist**

- **Review Admission Standards.** Review our admission standards and requirements at [admissions.indiana.edu](http://admissions.indiana.edu).
- **Attach Essay.**
- **Pay Application Fee.** We require a nonrefundable application fee of $60. Submit a check or money order made payable to Indiana University. Please make sure to write your full name and date of birth on the check. If you are eligible, you may submit an SAT, ACT, or NACAC fee waiver form. This form must be submitted within 30 days of the date that we receive your application.
- **Submit High School Transcript.** We must receive a current, official transcript directly from your high school. Please make sure that you list your senior year courses when you complete the application for admission. If your high school transcript does not include your grade point average, your counselor must complete the Counselor Signature Form. We also accept the Electronic Secondary School Report (ESSR).
- **Submit SAT/ACT Scores.** SAT and/or ACT scores with the writing component are required for the admission process. IU Bloomington considers only official test scores sent directly from the testing agencies. We encourage students to take both tests, to test early and often, and to submit all test scores to increase their chances for admission and scholarship consideration. Our SAT code is 1324 and our ACT code is 1210.

- **Check Application Status.** You can go online to check your application status. Please note that it may be up to two weeks from the time the Office of Admissions receives your application materials before your status is updated online and you can see that the materials have been received. To check your application status, follow the directions at [admissions.indiana.edu](http://admissions.indiana.edu).

**Admission Decision.** We’ll review your application as soon as we receive all of your supporting documents, beginning in early fall of your senior year. You can expect a decision by one of the dates listed in the table on this page. Please note that we cannot provide admission decisions over the phone, but you can check your admission status online by following the directions at [admissions.indiana.edu](http://admissions.indiana.edu).

IU offers a wide variety of scholarships to resident and out-of-state students. To be considered for IU Achievement and Selective Scholarships, you must submit a complete application for admission (including official transcript and test scores) by November 1. Students who meet the November 1 deadline may submit updated SAT or ACT scores until January 15 for additional scholarship consideration based on available funding. To learn more about IU’s scholarship opportunities, visit [scholarships.indiana.edu](http://scholarships.indiana.edu).

**Equal Opportunity/Affirmative Action Policy**

Indiana University pledges itself to continue its commitment to achievement of equal opportunity within the university and throughout American society as a whole. In this regard, Indiana University will recruit, hire, promote, educate, and provide services to persons based upon their individual qualifications. Indiana University prohibits discrimination based on arbitrary considerations of such characteristics as age, color, disability, ethnicity, gender, marital status, national origin, race, religion, sexual orientation, or veteran status.

**Accommodations for Students with Disabilities**

Students who may need disability support services should visit the Office of Disability Services for Students Web site at [studentaffairs.iub.edu/dss](http://studentaffairs.iub.edu/dss), or phone (812) 855-7578.
