2016–17 Transfer Application for Admission

This packet includes the application for admission, instructions for filling it out, and other important details. Your checklist and priority dates are also included.
Thank you for your interest in Indiana University. Each year, we welcome more than 1,000 students to IU who began their college studies elsewhere. Transfer admission is selective, and each application is reviewed for its individual merits.

For Questions or Additional Information
- Visit admissions.indiana.edu
- Call (812) 855-0661
- Email iuadmit@indiana.edu

Choose the Appropriate Application
This is the Transfer Application for Admission. It is for students who wish to transfer to IU Bloomington from another college or university and for students who have already completed an undergraduate degree at another institution and wish to earn a second undergraduate degree from IU. All students are encouraged to apply online.

Students who wish to transfer to IU Bloomington from another IU campus should complete the IU Bloomington Intercampus Transfer Application. It is available through the admissions website at admissions.indiana.edu.

Freshman students (those who are still in high school, who have not attended college since graduating from high school, or who have fewer than 12 hours of college credit) must complete the Freshman Application for Admission at admissions.indiana.edu.

International students (students who are not U.S. citizens or permanent residents) must complete either the International Freshman Application for Admission or the International Transfer Application for Admission at ois.iu.edu. International students are encouraged to apply online.

Admission Standards for Transfer Students
Detailed transfer admission standards are available online at admissions.indiana.edu. Following are general admission requirements for transfer applicants; most admitted students exceed these standards.

College/University Record
In reviewing transfer applications, we pay particular attention to grade trends, your cumulative and most recent term grade point averages, and the breadth and depth of your previous college program. It is also important that you have maintained good standing with your previous institution.

Grade Trends. Prospective transfer students are given more serious consideration if their grades have been consistently above average or steadily improving in a challenging academic program. Conversely, declining grades, grades below C in the most recent term, and a less demanding academic program are often factors that make an application less competitive and, thus, are reasons to deny admission. In some cases, we will ask to see final grades for your current course work before making an admission decision. If this is true for your fall semester, we will not be able to fully review your complete application (including the final fall transcript) before the start of IU’s spring semester. We will gladly consider you for a later entry date.

Grade Point Average. Indiana residents should have a minimum college grade point average (GPA) of 2.3 on a 4.0 scale before applying to IU (nonresidents should have a minimum of 2.5). Because of the competitive nature of recent applicant pools, very few students are admitted with a GPA below 2.5. No GPA in itself will guarantee admission.

High School Record and SAT and/or ACT Test Scores
Your high school transcript and test scores will be reviewed as part of the admission decision if you have completed fewer than 26 semester hours (or 39 quarter hours) of college course work. In general, if your high school record and test scores do not meet IU’s freshman admission standards, you will not be considered for admission as a transfer student until you have completed at least 26 semester hours (or 39 quarter hours) of transferable academic work at another institution. We do not need to review your test scores if you are at least 21 years old or have been out of high school for at least three years.

Transfer of Credit
Students generally receive transfer credit for any course from an accredited institution that corresponds to one in our curriculum (in content and credit value). When you are admitted to IU, we will evaluate your transcript(s). You will be sent instructions on how to check your online credit transfer report.

A few important notes about transfer credit:
- Only courses in which you received a C or higher will transfer.
- Transfer credit may count toward your degree at IU, but it will not count toward your GPA at IU.
- Individual schools and departments at IU determine how transferred credits will apply toward your degree requirements.
- Courses for which IU does not have an equivalent offering can sometimes be transferred as undistributed credits.
- We can apply up to two years (60 semester hours or 90 quarter hours) of transferred credits from a junior or community college toward your IU degree requirements.
- Veterans may earn college credit for educational experiences in the armed services. Submit your certified DD Form 295, DD Form 214, and/or transcript from either the Army/American Council on Education Registry Transcript System (AARTS) or the Sailor/Marine American Council on Education Registry Transcript System (SMARTS) with your application. Any additional, relevant military transcripts should also accompany your application.

Visit our online Credit Transfer Service at cts.admissions.indiana.edu for more details on transferring credit to IU.

Financial Aid
In order to be considered for need-based financial aid, please submit the Free Application for Federal Student Aid (FAFSA) as soon after January 1 as possible and by the March 10 deadline. Because some aid programs are awarded on a first-come, first-served basis, an early application receives priority consideration for limited funding sources. FAFSA forms are available at www.fafsa.ed.gov. Be sure to list IU’s institutional code, 001809, to ensure our Office of Student Financial Assistance receives your information.
Majors and Major Codes

Item 16 on the application asks you to indicate your intended major and major code, drawing from the list below. Please note that you can only list one major at the time of application and only have one active application at a time. If you wish to add an additional major(s), you must do so after matriculation.

Exploratory: Two Options
Many students come to IU wanting to explore their options for a major. If you are undecided about a specific major, choose “Exploratory (general)” and the code “EXPLRPR.” If you know you would like to study in the College of Arts and Sciences but are undecided about a specific major, choose “Exploratory (College)” and the code “EXPLCOBAPR.”

Prospective Music Majors: Additional Instructions
If you are a music applicant and need to complete this paper application, you will also need to submit music-specific information. Please contact the Jacobs School of Music Admissions Office at (812) 855-7998 for instructions. It is highly recommended that you apply to the Jacobs School of Music using the online application for freshman admission. Visit music.indiana.edu for more information.

Your Future Goals: Professional School
If your future goals include professional school (medicine, law, dentistry, optometry, physical therapy, occupational therapy, etc.), indicate your intended major and professional school interest in item 16.

Preferred Admission Programs
The Individualized Major Program, Studio Art, and Musical Theatre are designed for a limited number of highly qualified students who demonstrate a specified level of academic achievement, talent, potential, and commitment to the major. Additional steps are required for admission to these majors.

Choosing Your Major: Don’t Worry!
Choosing your college major is one of the most exciting and important decisions you’ll make. Don’t worry about making the right choice on this application. The major you choose on this application indicates what you intend to major in and serves as a guide for your initial course of study. If you are admitted to IU, you will not be bound to this choice. In some cases, your choice of major doesn’t guarantee your placement in the major program you selected. If you are admitted to IU, our academic advisors will help you select and refine your major, minors, and certificates—ensuring the academic course that is best for you.

Application Instructions

Please read these important instructions before completing the application.

Application Fee

We require an application fee of $60 for U.S. citizens and permanent residents. The application fee is nonrefundable and cannot be applied toward any other bill or fee. Your check or money order should be payable to Indiana University, and it should clearly indicate your full name and date of birth (or IU identification number, if applicable). We cannot accept cash. Payment by check authorizes Indiana University to make a one-time electronic withdrawal from your account in the amount indicated on your check. This transaction will occur within 24 hours of receipt, and no cancelled checks will be returned. Your financial institution will receive a copy of your check for payment if your account cannot be processed electronically. A third party submitting a check on your behalf is considered your agent; you are responsible for providing your agent with these disclosures. For more information on this and other payment options, or if you do not wish to have your check processed electronically, call (812) 855-0661 to speak with an admission representative.

Official Transcript(s)

We require an official transcript from each college or university you have attended. Arrange for your official transcript(s) to be sent directly to IU at the time of application. High school transcripts and SAT and/or ACT test scores are required for applicants who have completed fewer than 26 semester hours (or 39 quarter hours) of college course work. Please ask your high school to send your official transcript directly to IU. If you attended a non-U.S.-style school, submit official copies of your secondary school record. Your test scores must be sent directly from the testing agencies. We do not need to review your test scores if you are at least 21 years old or have been out of high school for at least three years.

Social Security Number (application item 4)

In accordance with state and federal law, the disclosure of your Social Security number is voluntary. Please note that if you receive any form of federal aid (which includes student loans), you will be required to provide your Social Security number so that your aid may be processed. Your number will not be disclosed to anyone outside of Indiana University except in accordance with IU policy on student records. You will be assigned a ten-digit number that will be your University I.D.

Ethnicity (application item 8)

Ethnic information is gathered in compliance with the definitions and procedures included in the 1997 revision of the OMB Statistical Policy Directive No. 15 and the U.S. Department of Education Final Guidance on Maintaining, Collecting, and Reporting Racial and Ethnic Data to the Department of Education (Federal Register, Vol. 72, No. 202, 10/19/2008). This information will not be used in determining your admissibility to Indiana University.

Email (application item 9)

Because we use email to communicate with applicants, please give us an email address where we can reach you throughout the year. Log in to one.iu.edu, and click on “Student Information System (SIS)” to update your contact information.

Residency (application item 21)

Initial residency classification (for tuition purposes) is determined by the information you provide on the application. In general, U.S. citizens or permanent residents who are 22 years of age are eligible for resident student status after they have been physically present in Indiana for at least 12 months without the predominant purpose of higher education. Students who are under 22 years of age are eligible for resident student status if their parents or legal guardians reside in Indiana. Documentation of legal guardianship is required. Visit studentcentral.indiana.edu for residency information.

22. REQUIRED: Short Answer Essay

In 200–400 words, describe your academic and career plans and any special interest (for example, undergraduate research, academic interests, leadership opportunities, etc.) that you are eager to pursue as an undergraduate at Indiana University. Also, if you encountered any unusual circumstances, challenges, or obstacles in pursuit of your education, share those experiences and how you overcame them. Attach your essay to your application.

23. REQUIRED: Criminal Activity Disclosure

Have you been subject to formal disciplinary action for non-academic reasons at any high school, post-secondary institution, college, or university? ☐ Yes ☐ No

We are committed to maintaining a safe learning environment. As part of that commitment, we require applicants who have been charged with or convicted of a misdemeanor or felony, or who have engaged in behavior that resulted in mental or physical injury to person(s) or personal property (including, for example, but not limited to, behavior that led to a restraining order against you), to disclose that information. A previous conviction or previous conduct of the sort identified here would not automatically preclude admission to IU but does require review.

A previous conviction or previous conduct of the sort identified here would not automatically preclude admission to IU, but does require review. Also, if additional legal charges or injurious behaviors occur prior to matriculation at IU, you must provide updated information to the Office of Admissions, 300 N Jordan Avenue, Bloomington, IN 47405, before attending classes. The committee must review the new information prior to your matriculation at IU.

Please select “Yes” below if your answer to any of the following questions is “Yes.”

Have you ever been arrested or convicted of a crime that has not been expunged by a court?

Do you have any currently pending criminal charges against you?

Have you engaged in any behavior that resulted in serious injury to any person(s) or personal property?

☐ Yes ☐ No

You must provide a complete explanation (in English) of the conviction or problematic conduct, the dates and court disposition (court ruling or result), the location (city, state, and country) and the impact the incident(s) had on you. Your signature here gives Indiana University permission to access pertinent criminal records. Additional information may be requested and additional time may be required to review this information.

Please attach a document or forward the information requested above to The CAD Committee, c/o The Office of Admissions, 300 N Jordan Avenue, Bloomington, IN 47405.

REQUIRED: Applicant Signature

I certify that all statements on this application are correct and complete, including a list of all schools attended. I understand that withholding pertinent information requested on this application or giving false information constitutes grounds for immediate withdrawal of my application from further consideration and cancellation of my admission and/or application. I understand that providing false information could also impact the classification of tuition residency status for fee-paying purposes and scholarship eligibility.

Note: Application fee payments are not refundable. By submitting this application, the applicant understands and agrees.

Equal Opportunity/Affirmative Action Policy
Indiana University pledges itself to continue its commitment to achievement of equal opportunity within the university and throughout American society as a whole. In this regard, Indiana University will recruit, hire, promote, educate, and provide services to persons based upon their individual qualifications. Indiana University prohibits discrimination based on arbitrary considerations of such characteristics as age, color, disability, ethnicity, gender, marital status, national origin, race, religion, sexual orientation, or veteran status.

Accommodations for Students with Disabilities
Students who may need disability support services should visit the Office of Disability Services for Students Web site at studentaffairs.iub.edu/dss, or phone (812) 855-7578.

Transfer Application Checklist

- **Review Admission Standards.** Review our transfer admission standards and requirements on page 1 of this packet.
- **Apply Either Online or on Paper.** We encourage you to submit your application electronically at admissions.indiana.edu. Our online application is secure and easy to use, and it gives you immediate confirmation that your application has been received.
- **Pay Application Fee.** We require a nonrefundable application fee of $60. If you apply online, you will pay the fee by credit card. If you apply on paper, you must submit a check or money order made payable to Indiana University. Attach the payment to the designated area of the application.
- **Submit High School Transcript and SAT and/or ACT Test Scores.** High school transcripts are required for applicants who have completed fewer than 26 semester hours (or 39 quarter hours) of college course work. Please ask your high school to send your official transcript directly to IU. IU Bloomington considers only official test scores sent directly from the testing agencies. Our SAT code is 1324 and our ACT code is 1210. We do not need to review your test scores if you are at least 21 years old or have been out of high school for at least three years.
- **Submit College Transcript(s).** We require an official transcript from each college or university you have attended. An official transcript is issued by the university and delivered to us in a sealed college/university envelope or sent electronically. Transcripts previously opened will not be accepted for review or transfer credit. Arrange for your official transcript(s) to be sent directly to IU at the time of application.
- **Check Application Status.** You can go online to check your application status. Please note that it may be up to two weeks from the time the Office of Admissions receives your application materials before your status is updated online and you can see that the materials have been received. To check your application status, follow the directions at admissions.indiana.edu.

Admission Decision. We practice rolling admission, and each application is carefully reviewed. You can expect to hear from us six to eight weeks after we receive your completed application, fee, and transcript(s).
